ABOUT THE PROGRAM:-

LAWS OF GROWTH

- Way we think defers the growth
- Personal growth is not a natural process in most lives
- Laws of intentionality-Growth Doesn't just happen
- Laws of Awareness-You must know yourself to grow yourself
- Law of mirror-seen in yourself to grow yourself.
- Law of ladder, Law of Rubber band, Law of Tradeoffs, Law of curiosity, Law of Modelling, Law of Expansion, Law of contribution etc...
- Growth Gap Traps
 - 1) Assumption Gap, Knowledge Gap, Timing gap, Mistake gap, perfection gap, inspiration gap, Comparison gap, Expectation gap
- Preparation(growth)+Attitude+Opportunity+Action(doing something about it)= Luck
