COLLEGE OF ENGINEERING AND TECHNOLOGY

Our Chairman Sri M.N. Raju Garu Message:-

I had no opportunity to attend any School or College during my early life. This only strengthened my determination to study intensely.

As I grew, I had this single-minded desire to offer a Platform for Youngsters to pursue basic Education. During these 55 years of service as a Teacher, I realised how much our future generation's success depended on Education. It is my firm belief that the two essential factors that enrich our lives are Education and Health and it is my endeavour to provide both through MNR Educational Trust with the help of my dedicated team.

Our Vice Chairman Sri M.S. Ravi Varma Garu Message:-

"The inspirational intellect of the next generation"

The young Vice Chairman of the Trust is accelerating the growth of the Institution with his great passion and actuary skill. As a mentor he has imbibed the legacy of Shri M N Raju and is working for the all round development of MNR Educational Trust. Armed with optimism and a pragmatic growth approach, he believes that Technology and Systems will play an integral part in shaping the future of the Trust.

He is redefining the etiquette of quality education with an indomitable team spirit, for students he is a pacemaker with hallmarked practice of teaching and learning process. He embraces the welfare and promotion of the Trust with a wise objective outlook. He is known for his innovative and exemplary skills.

“We have inherited the passion of Education and would like to see that this passion for education spreads like an endemic. The world would then be a better place to live in. It is our dream to make MNR group of Institutions not only the best in the country but also to make it attain the status of a Deemed University”.
