OUR CHAIRMAN

Sri M.N.Raju Garu, MNR Group of Institutions, The philosophy of Sri. M.N. Raju is to shape the students into proud citizens of this great nation, laying emphasis on honing their innate skills and addressing their psychological and spiritual needs. His rich and varied experience has helped the group to evolve a unique student-centric teaching approach, which transforms the students into competent future professionals and lead a successful career.

OUR VICE-CHAIRMAN

Sri M.S.Ravi Varma Garu, MNR Educational Trust. "The inspirational intellect of the next generation" The young Vice Chairman of the Trust is accelerating the growth of the Institution with his great passion and actuary skill. As a mentor he has imbibed the legacy of Shri M N Raju and is working for the all round development of MNR Educational Trust.

OUR COLLEGE

PRINCIPAL

Dr. E. L. Nagesh is an eminent Professor and an able administrator with over thirty years of experience in engineering academics, with proven academic and administrative skills as Principal and Professor. He has established a mark of his own. Dr. E. L. Nagesh has graduated; Post graduated and took his Doctorate degree from prestigious JNTU University, Hyderabad. Dr. E. L. Nagesh has good research track, under his guidance four Ph.D's have been awarded, has several research papers published in National and International journals. He participated and organized seminars at various academic institutions and industries. He is a member of number of prestigious Academic, Industrial and Research Institutions and governing body member of prestigious institutions. In the tenure of his career he is known to be a committed teacher, an eminent Head of the department and a dynamic Principal

The department has been striving hard to inculcate conceptual and technical skills in students through a scientific teaching methodology based on lectures, case studies, seminars, group discussions, project works, assignments, quiz programs etc. The systematic and well planned approach to problem solving is emphasized in the classrooms, laboratories through the course projects and additional computer training beyond the scope of the syllabus. Teaching aids such as LCD Projector, OHP, CD demo, equipment demonstrations, Models, Charts etc are regularly used to enhance better understanding.
