The day 1 work shop started with the inaugural speech by Dr. V. Alagarsamy, Principal, MNR College of Pharmacy which is followed a speech by the eminent trainer Mr. Jeetender Mahendra on behalf of Mahindra pride class room in collaboration with TASK, Telangana. The first session started with an approach of "NEVER SAY NO" in life where he was trying to deliver that never close the door of opportunities in life by saying NO, always come up with creative ideas to grab the opportunity. Always have an approach of doing things which

benefits you (i.e) in Telugu it is said as 'NakEnti' kind of approach. The 4 P's Funda was not only beneficial for the students but also for every aspirant in life.

On Day2:(03-03-2021)

Students were instructed to build a tower which helped them to get to know the worth of team work in an organization, simultaneously they have learnt the importance of helping them self-first and then to others. Etiquettes, gestures and non-verbal things very much vital when working in an organization along with the talent and subjective knowledge. He mentioned in such a good phrase that "Talent helps you succeed in life, but it the etiquettes and gestures behavioral skills that help you stay there".

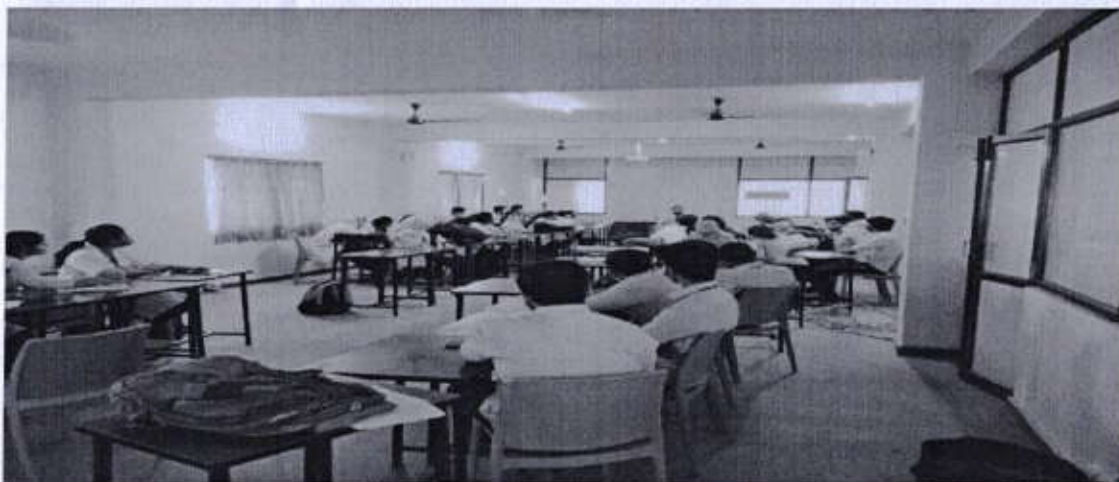

On Day 3 : (04-03-2021)

The students were learnt about time management during the process of doing any task in an organization and also in our general life.
